# CEAP Transportation Solutions

The CEAP Transportation Solutions program provides interest-free car purchase loans to low income families and individuals.

The goal of the program is to provide safe, reliable transportation for those who qualify.

This enables our clients to further themselves in other ways; to get to school or work on time, to meet necessary appointments, and to avoid predatory lenders.

Loans are available for up to \$4,000 towards the purchase of a vehicle.

## ELIGIBILITY:

Applicants must:

- Be an involved parent of a dependent child.
- Provide a valid Minnesota Driver's License.
- Be living at their current residence for a minimum of 6 months.
- Be current on their rent or mortgage.
- Be continuously employed for a minimum of 6 months and/or provide evidence of sufficient disposable income to repay the loan.
- Have a household income no greater than 80% of the area median income.
- Be unable to borrow from a conventional lending institution at a reasonable rate of interest.
