

CEAP

Working Towards a Workable Budget

A new class offered through CEAP

Financial literacy is all about having the knowledge and the skills to make informed decisions about money management. Learning to keep and build assets is a critical factor in improving your family's financial stability. CEAP has heard from hundreds of clients over the years who have asked to learn more about budgeting, saving, and building good credit - Enter CEAP's new workshop "Working Towards A Workable Budget". Below you'll find dates and times for the class. **This is a participatory class, you must be pre-registered & 18 year of age or older** to attend, and follow up sessions are available upon request.
