

CEAP SAYS THANKS TO THE COMMUNITY FOR BACKPACKS GALORE!

CEAP wishes to say a special thank you to everyone who helped make our 2007 Caring Tree Back to School Program a great success! Through the generosity of the community CEAP wishes to say a special thank you to everyone who helped make this years Caring Tree Back to School Program a great success! Through the generosity of the community 942 children received the school supplies through the Brookdale Center and The Shoppes at Arbor Lakes and 1,563 through Northtown Mall for a total of 2,505. CEAP's Caring Tree Program is the largest in Minnesota. The support from the community is truly tremendous!

The success of the Back to School Program is not possible without the support of local foundations, businesses, civic groups, organizations, congregations, and individuals to collect money and school supplies. It goes without saying that it also takes many volunteers helping in various ways to make the distribution possible. A special thanks to the volunteers who donated their time to help sort supplies and those who took a shift or two at one of the malls.

Thanks for your support of CEAP and our Caring Tree Back to School Program!
Together we can make a big difference in the lives of the children in our neighborhood!

Sincerely,
Stephen Klein, President

Thanks to the Donor & Volunteers who made it possible for these kids to have school supplies!
